Part 4: Treatment of Fees and Priority Claims 4.1 General. Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest. 4.2 Trustee's fees. Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rates on the court's website for the prior five years. It is incumbent upon the debtor(s)' attorney or debtor (if pro se) and the trustee to monitor any change in the percentage fees to insure that the plan is adequately funded. 4.3 Attorney's fees. Attorney's fees are payable to Amy L. Zema, Esquire In addition to a retainer of \$750.00 (of which \$0.00 was a payment to reimburse costs advanced and/or a no-look costs deposit) already paid by or on behalf of the debtor, the amount of \$3,250.00 to be paid at the rate of \$250.00 per month. Including any retainer paid, a total of \$_ in fees and costs reimbursement has been approved by the court to date, based on a combination of the no-look fee and costs deposit and previously approved application(s) for compensation above the no-look fee. An additional \$0.00 will be sought through a fee application to be filed and approved before any additional amount will be paid through the plan, and this plan contains sufficient funding to pay that additional amount, without diminishing the amounts required to be paid under this plan to holders of allowed unsecured claims. Check here if a no-look fee in the amount provided for in Local Bankruptcy Rule 9020-7(c) is being requested for services rendered to the debtor(s) through participation in the bankruptcy court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above). 4.4 Priority claims not treated elsewhere in Part 4. The allowed priority claims listed below are based on a Domestic Support Obligation that has been assigned to or is owed to a governmental unit and will be paid less than the full amount of the claim under 11 U.S.C. § 1322(a)(4). This provision requires that payments in Section 2.1 be for a term of 60 months. See 11 U.S.C. § 1322(a)(4).

Part 5: Treatment of Nonpriority Unsecured Claims 5.1 Nonpriority unsecured claims not separately classified. Debtor(s) ESTIMATE(S) that a total of \$0.00 will be available for distribution to nonpriority unsecured creditors. Debtor(s) ACKNOWLEDGE(S) that a MINIMUM of \$ 0.00 shall be paid to nonpriority unsecured creditors to comply with the liquidation alternative test for confirmation set forth in 11 U.S.C. § 1325(a)(4). The total pool of funds estimated above is NOT the MAXIMUM amount payable to this class of creditors. Instead, the actual pool of funds available for payment to these creditors under the plan base will be determined only after audit of the plan at time of completion. The estimated percentage of payment to general unsecured creditors is 0.00 _%. The percentage of payment may change, based upon the total amount of allowed claims. Late-filed claims will not be paid unless all timely filed claims have been paid in full. Thereafter, all late-filed claims will be paid pro-rata unless an objection has been filed within thirty (30) days of filing the claim. Creditors not specifically identified elsewhere in this plan are included in this class. 5.2 Maintenance of payments and cure of any default on nonpriority unsecured claims. Check one. None. If "None" is checked, the rest of Section 5.2 need not be completed or reproduced. The debtor(s) will maintain the contractual installment payments and cure any default in payments on the unsecured claims listed below on which the last payment is due after the final plan payment. These payments will be disbursed by the trustee. The claim for the arrearage amount will be paid in full as specified below and disbursed by the trustee. The provisions of Section 5.3 are available only if the utility provider has agreed to this treatment. These payments comprise a single monthly combined payment for postpetition utility services, any postpetition delinquencies, and unpaid security deposits. The claim payment will not change for the life of the plan. Should the utility obtain a court order authorizing a payment change, the debtor(s) will be required to file an amended plan. These payments may not resolve all of the postpetition claims of the utility. The utility may require additional funds from the debtor(s) after discharge. Part 7:

Vesting of Property of the Estate

7.1 Property of the estate shall not re-vest in the debtor(s) until the debtor(s) have completed all payments under the confirmed plan.

Part 8:

General Principles Applicable to All Chapter 13 Plans

- 8.1 This is the voluntary chapter 13 reorganization plan of the debtor(s). The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved. Notwithstanding any statement by the trustee's office concerning amounts needed to fund a plan, the adequacy of plan funding in order to meet the plan goals remains the sole responsibility of debtor(s) and debtor(s)' attorney. It shall be the responsibility of the debtor(s) and debtor(s)' attorney to monitor the plan to ensure that the plan remains adequately funded during its entire term.
- 8.2 Prior to the meeting of creditors, the debtor(s) shall comply with the tax return filing requirements of 11 U.S.C § 1308 and provide the trustee with documentation of such compliance by the time of the meeting.
